RADIO COMIX

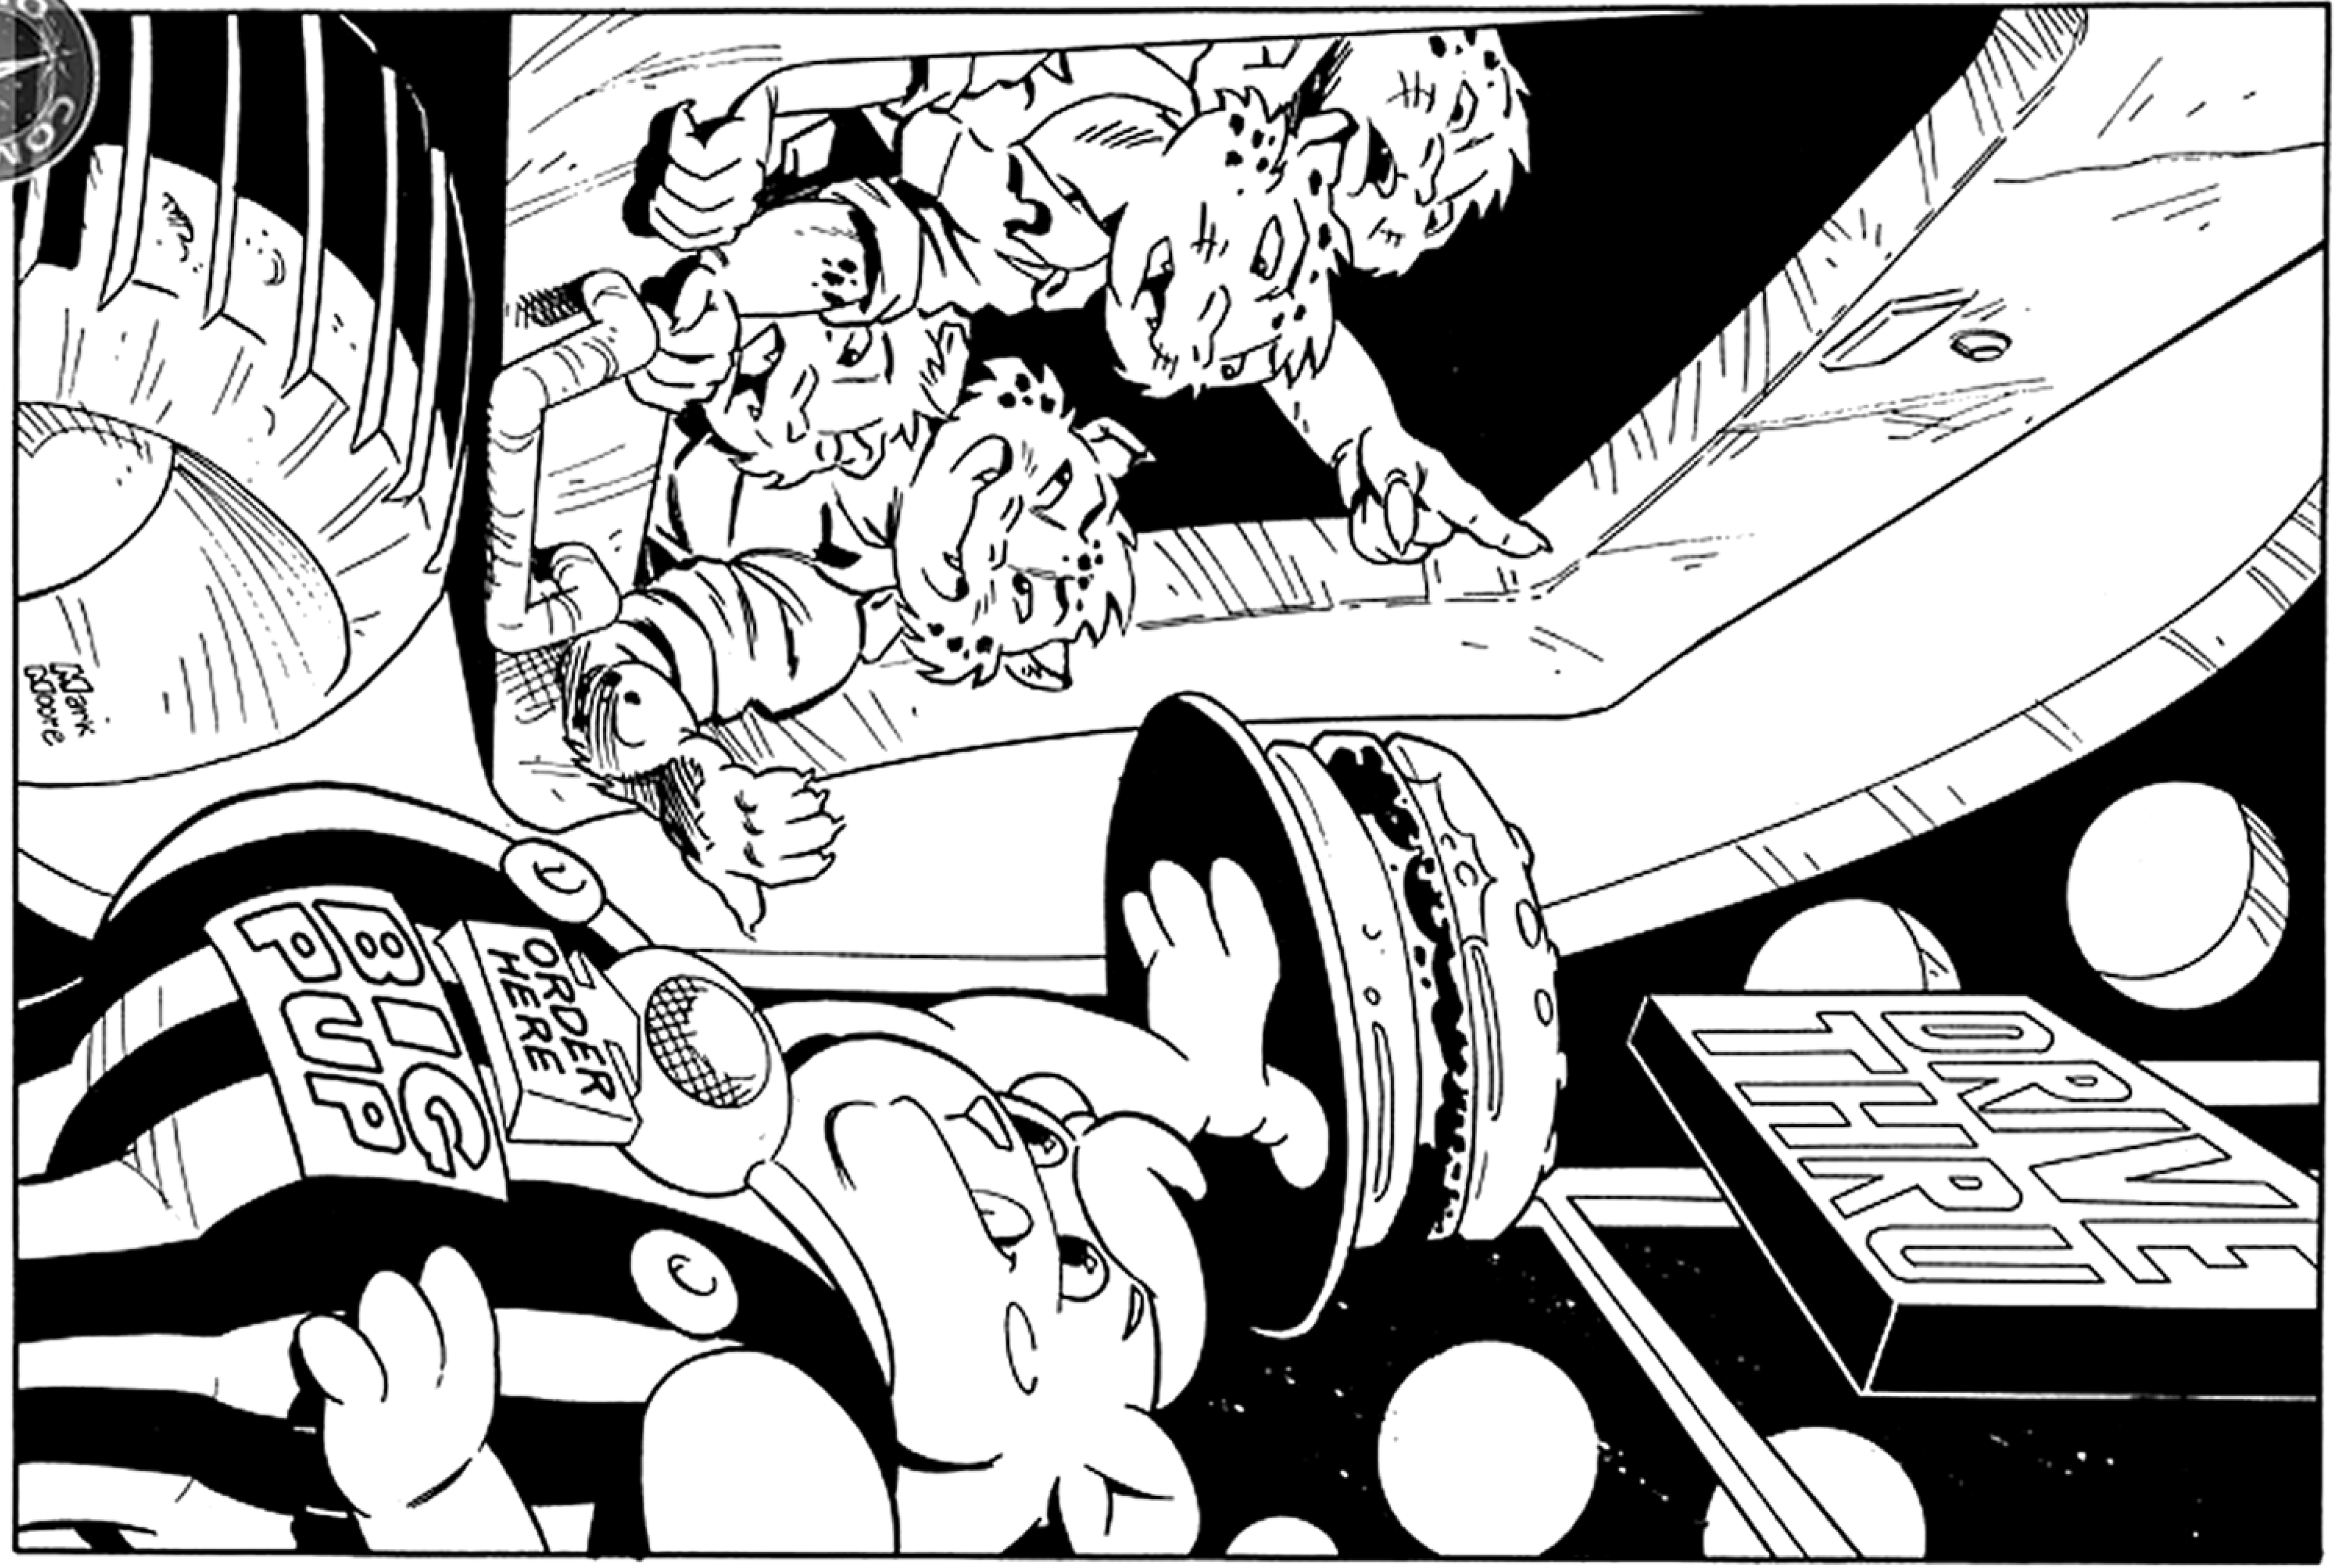
www.radiocomix.com



I TELL YOU HE IS DEAD. MY BROTHER TOOK A BAD FALL AND DIED, SO I BELIEVE I'D KNOW.

YOUR BROTHER DIED TWO YEARS LATER OF GUN WOUNDS.

DON'T TALK ABOUT MY BROTHER, HE NEVER LIKED YOU...

GHHH... WHERE AM I? WHAT HAPPENED?

ARE YOU QUITE SURE YOU'RE IN ANY CONDITION TO MOVE. I WOULD URGE CAUTION...

copyright 2012 all rights reserved
www.radiocomix.com

NO, NO, I'M OKAY. WHERE'S NELL?

YOU WERE ALONE WHEN WE FOUND YOU. WHO MIGHT YOU BE?

I'M...NO WAIT, FIRST YOU TELL ME WHO YOU ARE!

I AM GENDARME CAPT. DIL GOULART AND THESE ARE MY COMMAND... CONSTABLE RHODAN, CONSTABLE YELLOW PENCIL AND CONSTABLE ELS

WE SAW YOU FLY INTO THE TREES. A *MOST* OUTSTANDING FEAT!

copyright 2012 all rights reserved
www.radiocomix.com

....SO I LOST MY GRIP ON NELLY AND CRASHED INTO THE TREES.

A MOST FASCINATING TALE. CONSTABLE RHODAN BELIEVES HE KNOWS THE AREA IN WHICH YOU LOST YOUR LADY FRIEND.

AH THEN, CONSTABLE ELS, ANY LUCK WITH THE RADIO COM-LINK?

YES SIR, I HAVE A LINK TO THE WORLD SCIENCE COUNCIL LIAISON OFFICER IN CAPE TOWN.

copyright 2012 all rights reserved
www.radiocomix.com

EXCELLENT, IF YOU WILL EXCUSE ME, WE SHALL SEE IF ALL IS AS YOU CLAIM.

PLEASE FORGIVE MY SUSPICIONS BUT I ASSURE YOU THAT THEY ARE QUITE WELL FOUNDED.

AND SO...

YOU SEEM CONCERNED CAPTAIN, WAS THE REPORT SO BAD?

OH NO, THE GOOD DOCTOR RINGS QUITE TRUE BUT I AM TANTALIZED BY HINTS OF OTHER MYSTERIES IN THIS REPORT. HMM...

CONSTABLE RHODAN, LET'S MAKE HASTE TO THAT WORLD SCIENCE COUNCIL DIG SITE.

THE DIG SITE SIR?

www.radiocomix.com

"YES, TIME MAY BE OF THE ESSENCE."

I'M TERRIBLY SORRY BUT I'M AFRAID WE'RE OUT OF CREAM.

OH THAT'S ALRIGHT. TWO SUGARS PLEASE.

copyright 2012 all rights reserved
www.radiocomix.com

I'D SAY YOU'RE QUITE A LUCKY YOUNG LADY.

THE DOCTOR'S PRESENCE SEEMS TO HAVE SAVED YOUR BACON.

Y'KNOW, I WAS KINDA WONDERING ABOUT THAT. I GOT A VERY DETAILED REPORT ON THIS WHOLE AREA BEFORE WE LEFT AND THERE WAS NO MENTION OF YOUR EXPEDITION.

UM...WELL, THIS PROJECT IS VERY SMALL AND I WANTED TO KEEP A LOW PROFILE.

copyright 2012 all rights reserved
www.radiocomix.com

HMM... LOTTA BIG SCIENCE FOR SUCH A SMALL PROJECT, NOT TO MENTION THE PRESENCE OF THE WORLD SCIENCE COUNCIL.

I DON'T KNOW IF YOU REMEMBER ME MR. ASHLEY BUT WE MET A YEAR AND A HALF AGO IN AUSTRIA. YOU'VE LOST SOME WEIGHT

UH, MR. ASHLEY IS A RATHER RECENT ADDITION TO THIS LITTLE TABLEAUX.

www.radiocomix.com

CONDITIONS ARISE THAT REQUIRED THE WSC TO SEND AN ONSIGHT OBSERVER.

SO... YOU'RE SAYING YOU'VE FOUND A FLYING SAUCER.

I'M NOT PREPARED TO COMMENT ON WHAT MAY OR MAY NOT HAVE OCCURRED AT THIS SIGHT. I'M SURE YOU UNDERSTAND...

DR. RIMMEL, I HATE TO BE A PAIN, BUT COULD YOU SUPERVISE THE LOADING OF THIS THING ONTO THE TRANSPORT.

AH WELL, IF YOU'LL EXCUSE ME, I'LL SEE WHAT I CAN DO TO GET US ON THE ROAD.

copyright 2012 all rights reserved
www.radiocomix.com

...SO BASED ON THESE REPORTS I'M HOPEFUL THAT THIS DR. RIMMEL MAY HAVE SEEN YOU FLYING ABOUT AND CAN AID US IN OUR SEARCH FOR YOUR COMRADE.

copyright 2012 all rights reserved
www.radiocomix.com

SO, HAVE YOU CALLED AHEAD TO THIS DR. RIMMEL? WHAT'D HE SAY?

UM... YES, WELL THIS DR. RIMMEL HAS BEEN ANNOYINGLY SECRETIVE ABOUT HIS LITTLE PROJECT UP TO THIS POINT...

I DON'T EXPECT HE'LL BE THAT MUCH HELP NOW.

RIMMLE... NOW WHERE HAVE I HEARD THAT NAME BEFORE?

copyright 2012 all rights reserved
www.radiocomix.com

HMM...
WELL NOW,
THIS IS NOT AT ALL
WHAT I EXPECTED
TO FIND.

WHAT?
WHAT'S
WRONG?

THIS WOULDN'T BY
ANY CHANCE BE THE
HELICOPTER THAT YOU SAW
EARLIER, WOULD IT?

WELL...
IT SURE LOOKS
LIKE IT...

BUT IT WAS IN A HELLUVA LOT BETTER SHAPE A FEW HOURS AGO.
